DEFENDANTS' RESPONSE TO TEXT ORDER
DOCUMENT NO. 8008

Defense leadership submits this statement in response to the Court's Text Order of September 11, 2025, MDL Document No. 8008. That Order addresses the filings on September 11 of multi-plaintiff Short Form Complaints in Case Numbers 2:25-cv-12506-RMG and 2:25-cv-12509-RMG, when the window for such filings had closed on September 10.

Defendants do not object to these certain filings being considered timely. From conferring with counsel for the plaintiffs, defense leadership understands that the timing of the filings made early in the morning on September 11 was the result of unavoidable technical issues that frustrated plaintiffs' efforts to file the complaints in an otherwise timely manner.
